Tentative Agenda, please contact Nancy for any additions and or changes

290 Hawthorn Avenue. To get there, take Broadway heading North, past the Pearl Street Mall, then past Vic's and Moe's, where the streets begin to run as tree names in alphabetical order: Alpine, Balsam, Cedar . . . to Hawthorn. Take a left turn off of Broadway onto Hawthorn (there is a stoplight at Iris, which means you have just gone too far) and head West up the street, past 4th street (careful of the steep climb where people often bottom out if they go too fast) and 290 is the 4th house on the left of the dead-end street. There is only one house above us.

Park along Hawthorn but be mindful of neighbors' driveways. Please bring dishes in through the front door. We will try to go vegetarian brunch and last year we ended up without enough drinks or fruit items, as most people brought bagels and other carbo-type dishes. I suppose that is why they call it pot luck?

Dogs are allowed, but they need to be kept in the backyard and get along with others. Children are welcome, of course, and they don't have to get along with anyone.

Running will start as early as 8:00 am for the 3-hour crowd. 9:00 for the 2-hour group, and 10:00 for the 1-hour bunch. If you want to go shorter, just show up whenever and run until around 11:30 am, when the pot-luck brunch begins.
